

Project Prevention

Samantha Finch and Echo Wood

Our Project

- Prevention in Middle and High School
- Worked with prevention / intervention specialist
Meagan Gable
- Created posters and videos to remind students to stay drug free

Rationale

- Passionate about prevention
- H.O.T.S. (Helping Out Teen Society)
- Needed in community
- Never enough prevention
- Instigate healthy

Scope

- Three posters
- Two videos
- Game night
- Surveys

Posters

Stay clean,
don't smoke
the green

The THC in Cannabis
disrupts the brain cells.

Marijuana and
alcohol: 50-70% users
report causing
substances that harm

In 2005, 242,000 ER
visits in the USA
involved marijuana.

NATURAL HIGH

There are better things in life. What's your natural high?

Dancing

Music

SPORTS

hing

Backpacking

Working out

KEEP CALM AND STAY SOBER

According to a study done by Columbia University, underage drinkers account for 11.4% of all of the alcohol consumed in the U.S.

Videos

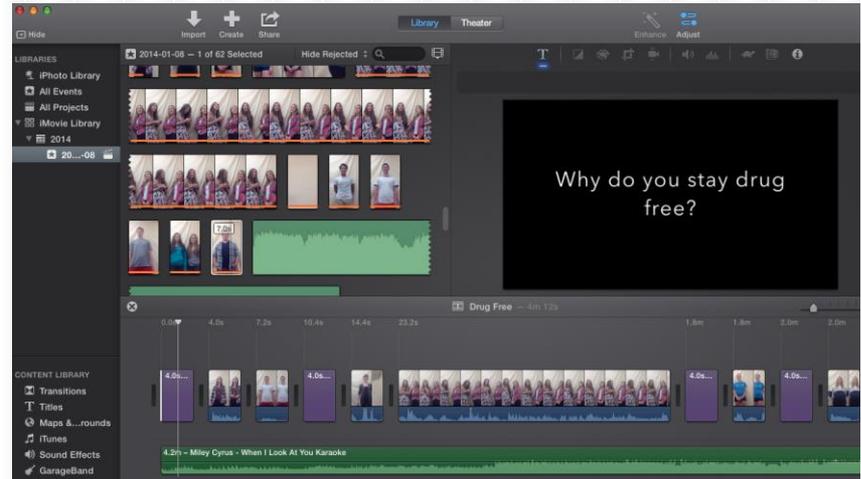

- Red Ribbon week
- Announcements
- Game Night
