AnaMaria Diaz-Martinez from WSU will lead the class in Spanish.

The facilitator training will:

- Prepare participants to be facilitators who are connected to existing teams/sites and agency representatives who are considering implementing the program
- Cover best practices for facilitating the 21 parent, youth, and family sessions in the curriculum
- Include the latest updates on Fortaleciendo Familias/Strengthening Families research that is happening in Washington State
- Help participants and organizations develop an implementation plan for successful programming
- Review reporting and evaluation process for WSU and implementing sites.
