Join us at the Inland Northwest Dental Conference for a free training session - Evidence-based Dental Pain Care. Registration is free for this training but required, and it does not register you for the Inland Northwest Dental Conference. To attend the Inland Northwest Dental Conference you must register separately. For more information about the Inland Northwest Dental Conference visit: [indc-spokane.com](http://indc-spokane.com)

At the **Evidence-based Dental Pain Care Training Session** attendees will learn latest recommendations for acute dental pain care, best practices for managing acute dental pain in patients with substance use disorder, and emerging federal and state policies on opioids, clinical information in opioid prescribing from your peers and much more!

For more information, please visit:  
[www.agencymeddirectors.wa.gov/news.asp](http://www.agencymeddirectors.wa.gov/news.asp)

All participants will receive up to four hours of free dental CE, a copy of the 2017 Bree/AMDG Dental Guidelines on Prescribing Opioids for Acute Pain Management, and a one-page summary of the guidelines.

**AMDG** agency medical directors' group
