## MIS Minerva Training

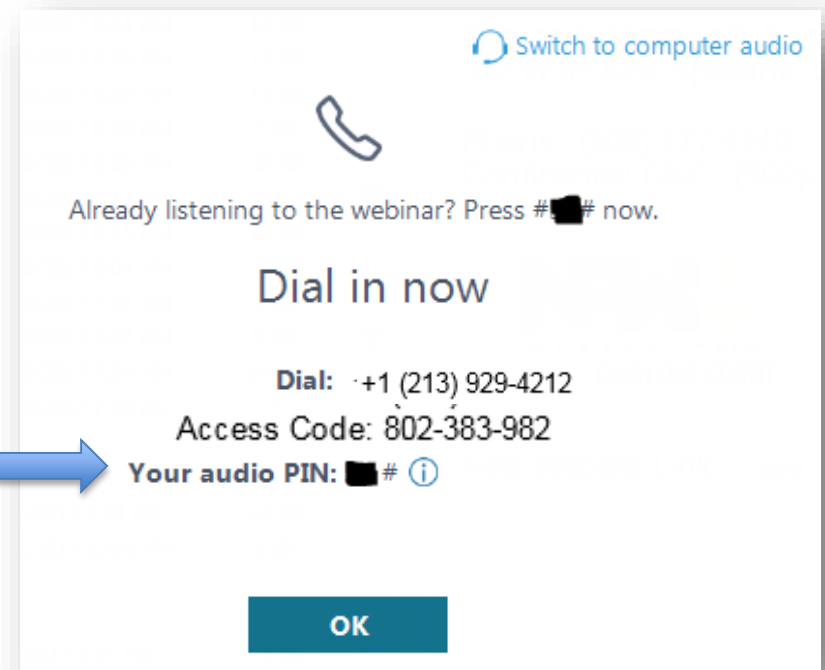

**Welcome! We will begin at 8:30 a.m.**

It is always a good idea to close other windows.

If participating via phone click OK and mute your speakers

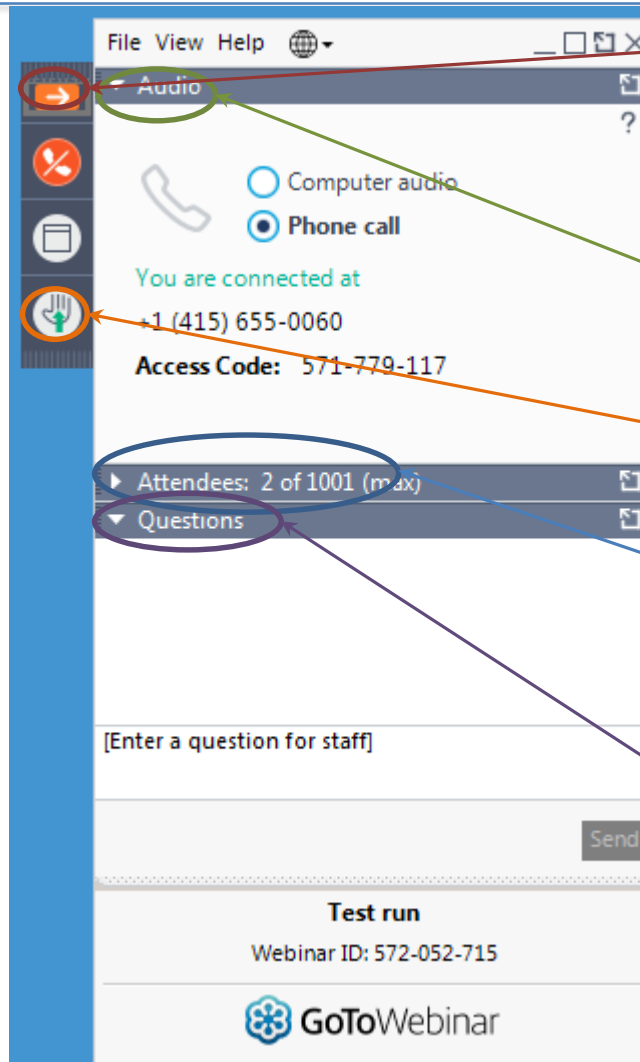

- Be sure to enter your unique **Audio PIN**, if you haven't already.

# Webinar Controls

- **Grab Tab** –Allows you to open/close the Control Panel, mute/unmute your audio (if the organizer has enabled this feature) and raise your hand

- **Audio pane** – Displays audio format. Click Settings to select telephone devices.

- **Hand** – click to raise hand. Click again to lower.

- **Attendee List** - Displays all the participants in-session

- **Questions pane**– Allows attendees to submit questions and review answers (if enabled by the organizer). Broadcast messages from the organizer will also appear here.

# A few organizing comments

---

- Goal: Provide an informative learning session on Minerva
- Questions are welcome at any time!
  - Webinar: please use the chat box.
  - Computer lab: please raise your hand.
- Our primary focus is on **reporting** and not *programmatic questions*
  - Please reach out to your System Manager for programmatic questions
- We will evaluate any questions falling into a gray area when the time comes!
- Take breaks as you need them
- Please work to minimize distractions and allow yourself to focus.

# Trivia!!

According to legend, Minerva had a father  
but no mother.

*Was Minerva's father  
Jupiter or Neptune?*

# Planning for Data Entry

---

- Planning is core to what we do – all of us!
- Timely, accurate, and efficient data entry and reporting requires planning, too.

# Planning for Data Entry

---

For each service in our Action Plan:

- ✓ What are we required to report to DBHR?
- ✓ What is optional to report to DBHR?
- ✓ Why is this data required/optional?
- ✓ When should we enter data and what are our reporting deadlines?
- ✓ Will we need support from additional staff (do they need access to Minerva)?

# Planning for Data Entry

---

- What are the who, what, when, why, and how's for collecting:
  - Survey data
  - Participation
  - Aggregate demographics
  - Population reach
  - Pounds of medicine collected
