

Table Discussion Questions:

You will have approximately 15 minutes to discuss these questions with your group.

Please be sure to write on the poster paper all notes, ideas and concepts your group discussed. When needed, you may use the green and yellow dots to indicate if a comment is specific to the respective level of experience. **Green** = high experience; **yellow** = new/developing

Please sure to do introductions if needed.

As you review this task category related to the community coalition(s) you are working with...

- What interests you about this task category? What drew you to this table? What stands out to you?
- What experience do you have to offer to the learning community around this category?
- What questions do you have or anticipate having as you work on these tasks?
- What additional clarification is needed, if any, in order to move forward?
