

## PRI Clarity and Training Survey Discussion

February 3, 2011

---

### Discussion:

According to the survey results there are four combinations of people identified to need/want training depending on the topic:

- Group 1 - ESD, County and Coordinators
- Group 2 - Coordinators and Coalition members
- Group 3 - Everyone
- Group 4 - Just Coordinators

We want to know: "What are your preferences for the type of assistance and the delivery methods used for training depending on the intended audience?"

### Instructions:

#### Step 1:

Identify someone in the group who will serve as the Recorder. Using the handouts please assign someone to record the discussion and submit your group responses following the discussion.

#### Step 2:

Please start with the groups you are assigned below and using the handouts do your best to discuss and answer both questions for each of the audience groups.

#### Step 3:

Once you have completed your two primary groups, then move to the other two remaining groups and using the handouts do your best to discuss and answer both questions for each of the audience groups.

### Audience Group assignments:

#### Group 1 and Group 2

- 101 – Spokane
- 105 – Yakima
- 112 – Vancouver
- 113 – Olympia
- 114 – Bremerton

#### Group 3 and Group 4

**Audience:** Group 1 - ESDs, Counties and Coordinators

**“What are your preferences for the type of assistance and the delivery methods used for training depending on the intended audience?”**

---

*Keeping in mind your local coalition(s) ...*

**1. When just ESDs, counties and coordinators need training, what would be the best way to deliver...**

- Formal Training (i.e. presentation to group, PowerPoint, curriculum, learning objectives clearly stated)
- Technical Assistance (i.e. one on one or one on small group; troubleshooting a specific issue to resolve that concern)

**2. Based on your responses above, what venue and/or medium would be your top two preferences for that training to be provided:**

- Online/webinar (w/ materials posted)
- Reading material to be used on your own
- In person trainer/TA (w/ materials posted)
- Over the phone/conference calls (w/ materials posted)
- Downloadable PowerPoint presentations to be used on your own
