IMPORTANT BILLING REMINDERS – FOR ALL CONTRACTORS

Tips for Successful Billing

- Use the current A-19 template for your contract period.
 - A-19 templates are sent to Contract Contact.
- Submit the A-19 in Excel Format and Signed PDF format in one email.
 - Send email to A-19DBHR@dshs.wa.gov and copy System Manager
- Use the naming convention on both the Excel, PDF files and the Subject Line of your email:
contractor name/year/month/billing #/Px (CBO)

Examples of Naming Convention

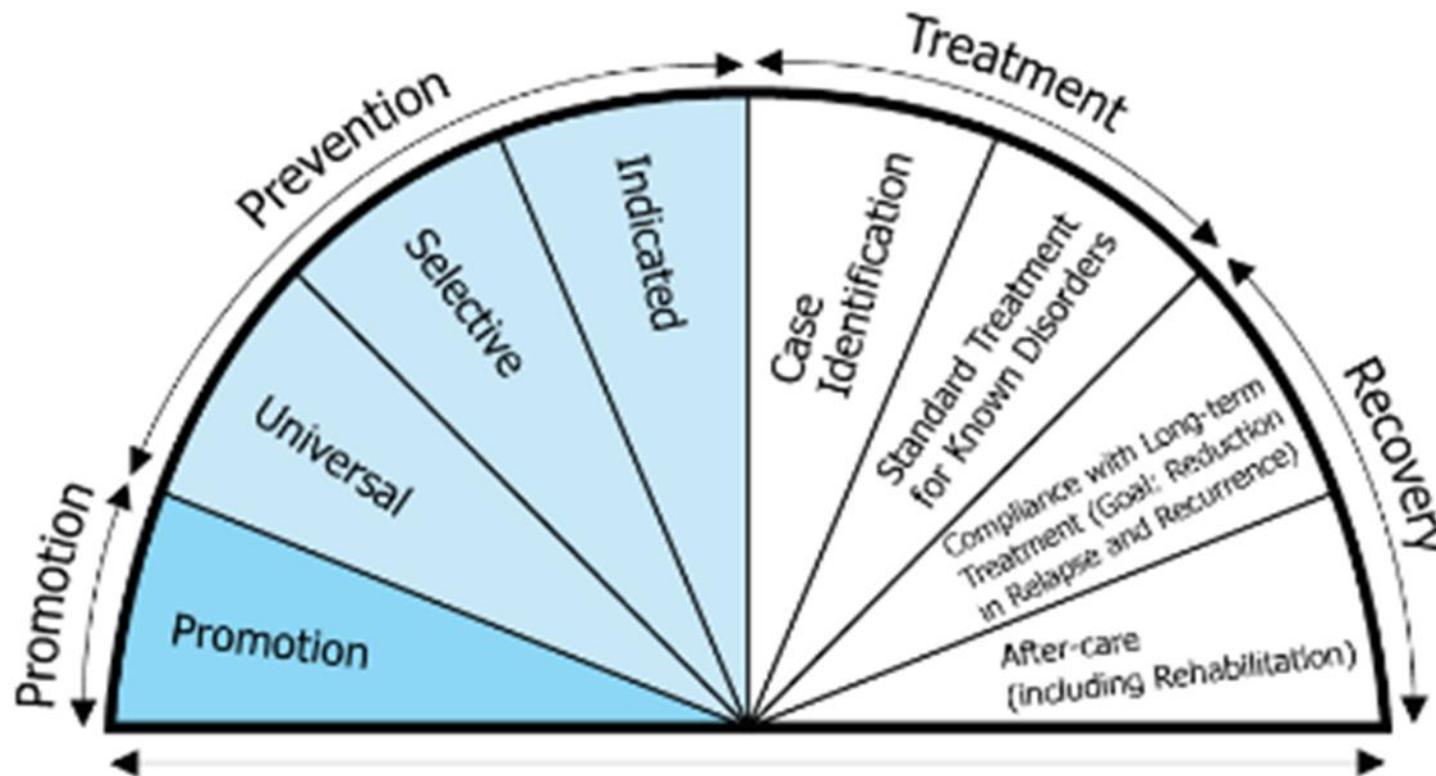

- For example Cape Flattery SD October 2017 original invoice for CPWI Prevention would be:
CapeFlatterySD20171000Px
 - If there is a **Supplemental Invoice** for October it would be: CapeFlatterySD201710**01**Px
- For example Neighborhood House, a Community Based Organization (CBO) contractor October 2017 original invoice would be:
NeighborhoodHouse20171000PxCBO
 - If there is a **Supplemental Invoice** for October it would be: NeighborhoodHouse201710**01**PxCBO

Tips for Successful Billing *continued*

- Ensure that ALL data is reported in Minerva on time for all programs, strategies and staff being billed each month.
 - A-19s are denied if there is not sufficient data to validate costs on A-19 by program/activity.
 - ‘On-time’ means by the 15th of the month for previous month.
 - Extensions may be requested before the due date, but A-19s will still be denied if submitted without data for that month.
 - Program & fiscal staff communication to ensure data is complete. *Work with your fiscal to use the SPEP Report to verify!*

CONTRACT COMPLIANCE AND MONITORING

Why is Contract Compliance Important?

- Maintaining compliance is important for everyone.
- By monitoring compliance we are able to help provide technical assistance.
- Accountable and reliable services and data.
- Compliance monitoring and communication is not a new practice.
- Compliance impacts reimbursement but it is more than that.

Contract Compliance – Doing Your Part

- Review the current contract special terms and conditions.
- Review the CPWI Guide and CPWI Overview (starting with the CPWI Overview)
- Put due dates on a calendar
- Prepare for action plan implementation (work your way backwards on a calendar to identify local timeline)

What Else?

Contract Compliance – Doing Your Part

- Review the current contract special terms and conditions.
- Review the CPWI Guide and Timeline Overview (starting on page 18)
- Put due dates on your calendar
- Project plan for action plan implementation (work you way backwards on a calendar to identify local timeline)

DBHR Communication

- Contract
- CPWI Guide
- Learning Community Meetings
- Email reminders

TIPS FOR PLANNING LOCAL TRAINING

LOCAL TRAINING TIPS

1. Vet presenters in a manner that ensures trainers are hired who possess content and cultural competence knowledge and experience/skills.
 2. Open each training with a statement that asserts the intent to provide a positive learning experience for all and that is in keeping with leading through a race equity lens.
 3. During the opening, identify a point person for any concerns related to the training including the presenters/ content/ logistics.
 4. At the end of each day, take 5 to 10 minutes to discuss pluses and minuses of the day with the goal of continuous quality improvement.
 5. Encourage trainees to complete written evaluations honestly and let them know their feedback will be taken seriously.
 6. Debrief with trainers to glean any lessons learned for the future.
 7. Follow up with participants. If a pattern of concern emerged, address it head on. Either way, offer a follow up resource, challenge or next step.
