# “Results Washington” Goals for Healthy Youth & Adults

---

- Results Washington measures for
  - Underage Drinking
    - Decrease the % of 10<sup>th</sup> graders who report drinking alcohol in the last 30 days from 27.7% ( $\pm$  1.9%) to 24.8% by 2017.
  - Youth Marijuana Use
    - Decrease the % of 10<sup>th</sup> graders who report smoking marijuana in past 30 days from 19.3% (in 2012) to 18% by 2017.

# A3 Planning

---

- Both A-3 action plans reflect the work that the CPWI Communities and Tribes are doing implementing prevention strategies, practices and programs in their communities. During first meeting the group prioritized additional countermeasures related to each problem
  
- Youth Alcohol Use
  - Prioritized Action Plan **Risk Factors: Community Laws and Norms and Favorable Attitudes, and Access and Availability.**
  - Prioritized **Countermeasures**: Parent Education, Statewide Messaging, Exploring youth SBIRT, and .

# A3 Planning

---
