# Marijuana in Seattle

## **Medical marijuana (1998):**

- In 2013, 270 dispensaries, 240 licensed as businesses
- Individual & collective gardens

## **Seattle Initiative 75 (2003):**

- Marijuana lowest law enforcement priority

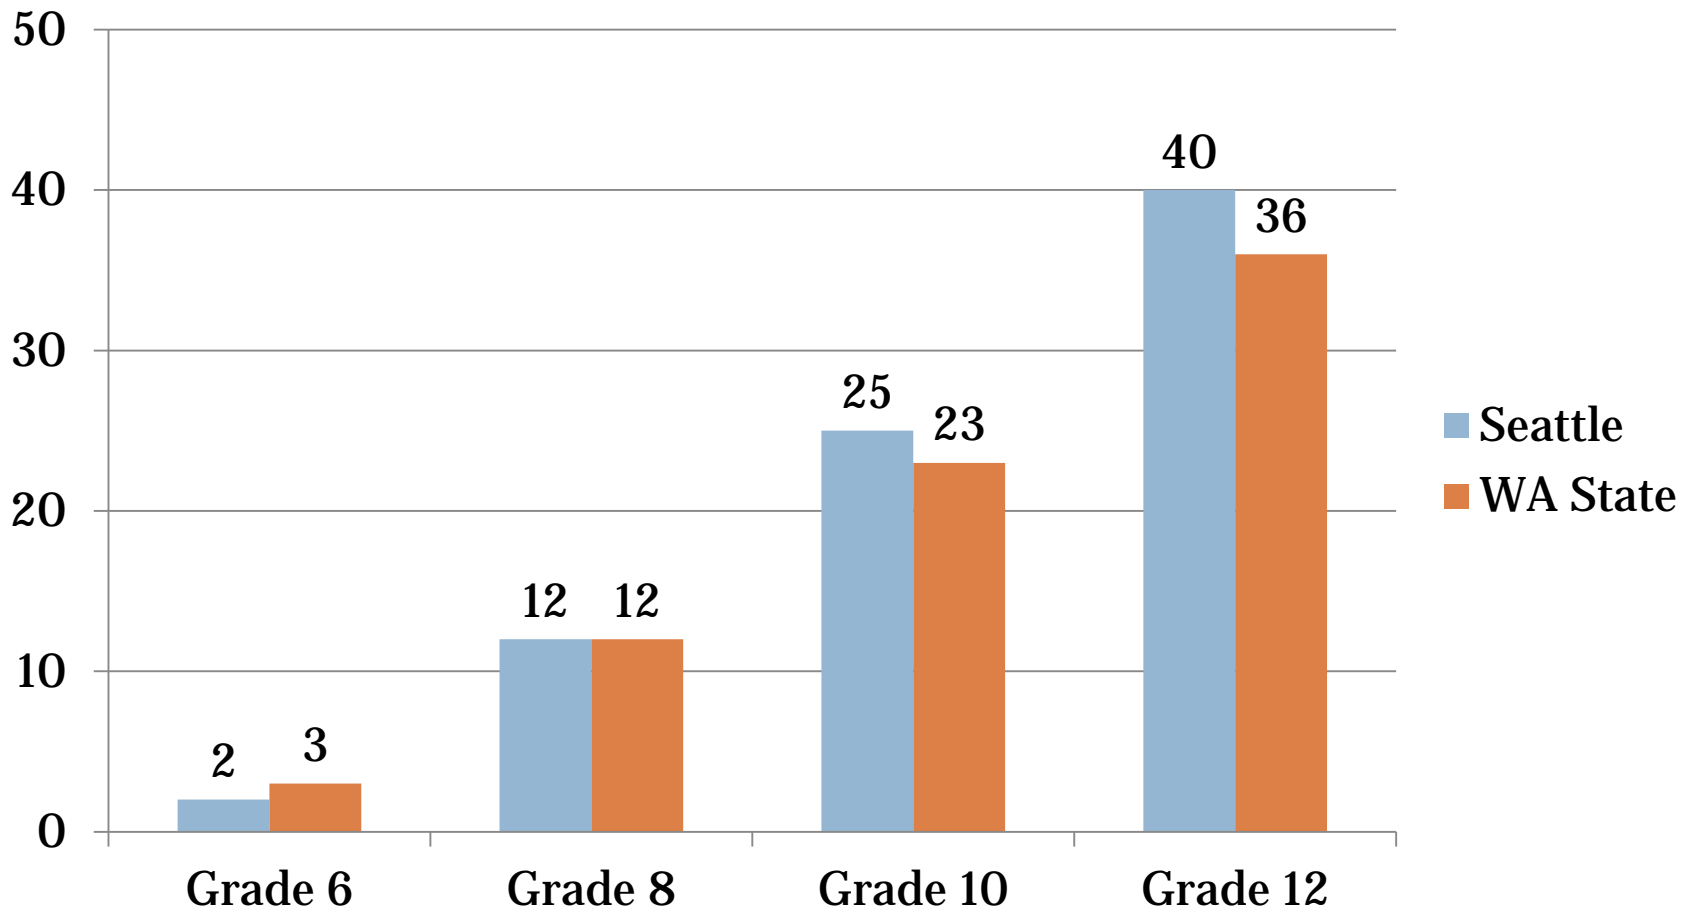

## **WA State Initiative 502 (2012)**

- Decriminalization and legalization

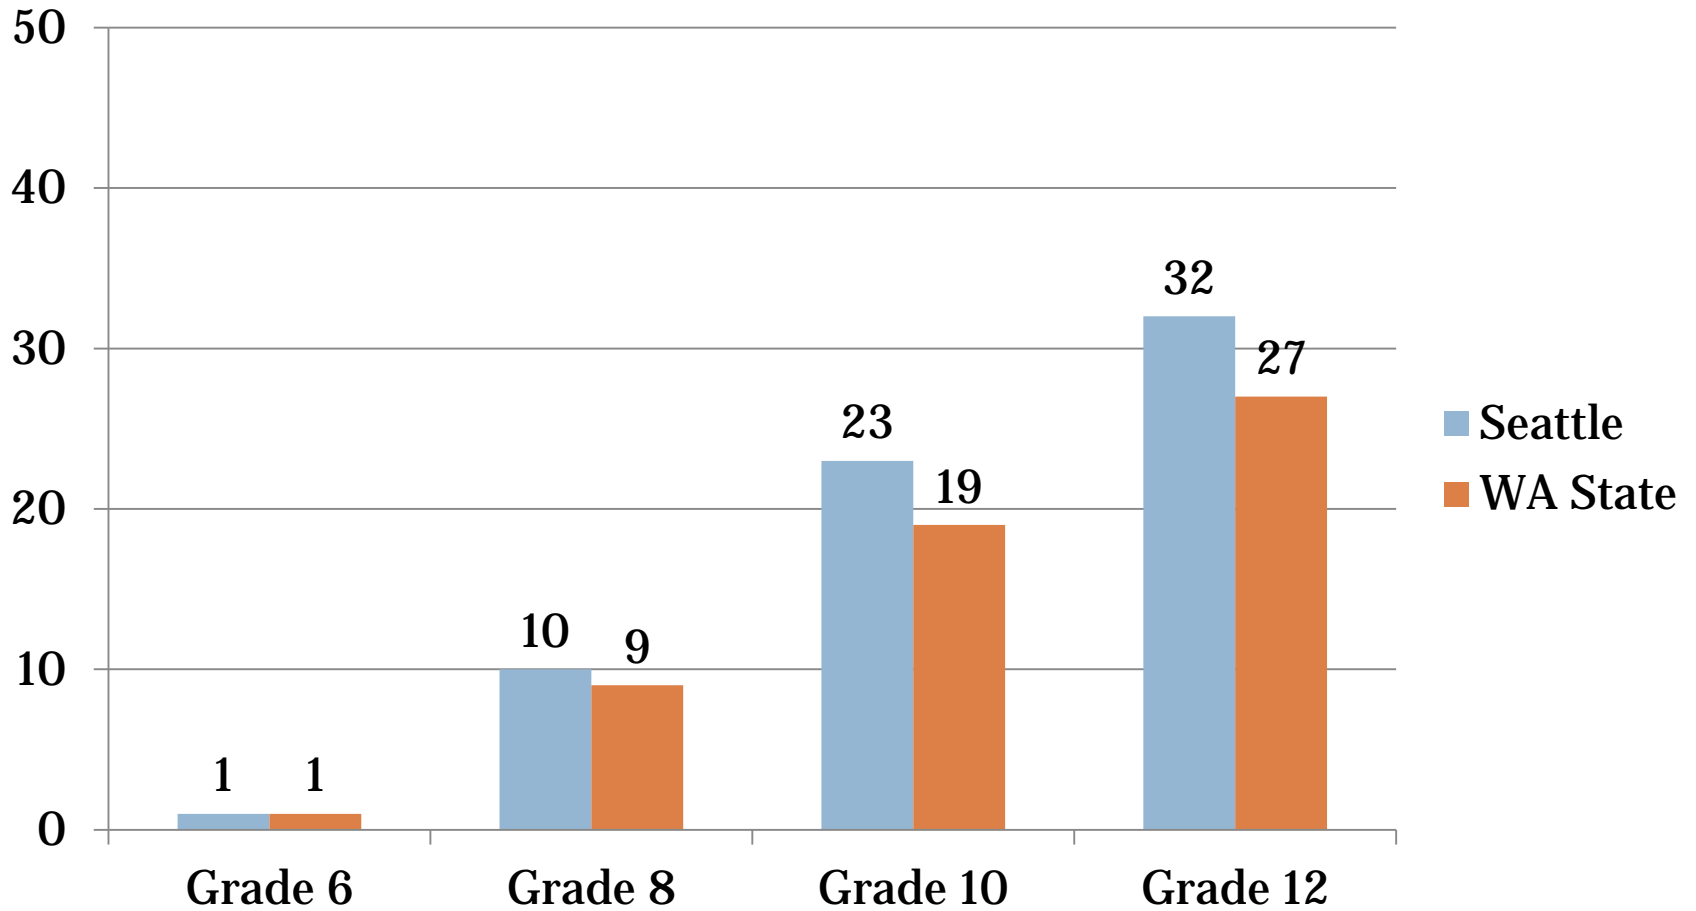

# School Policy

- **Still federally illegal**
  - ▣ SPS receives federal funding
- **Still not allowed at school – Board Policy**
  - ▣ Medical authorization does not permit students to possess or be under the influence at school
  - ▣ Still subject to discipline: 3 day suspension with mandatory drug/alcohol assessment

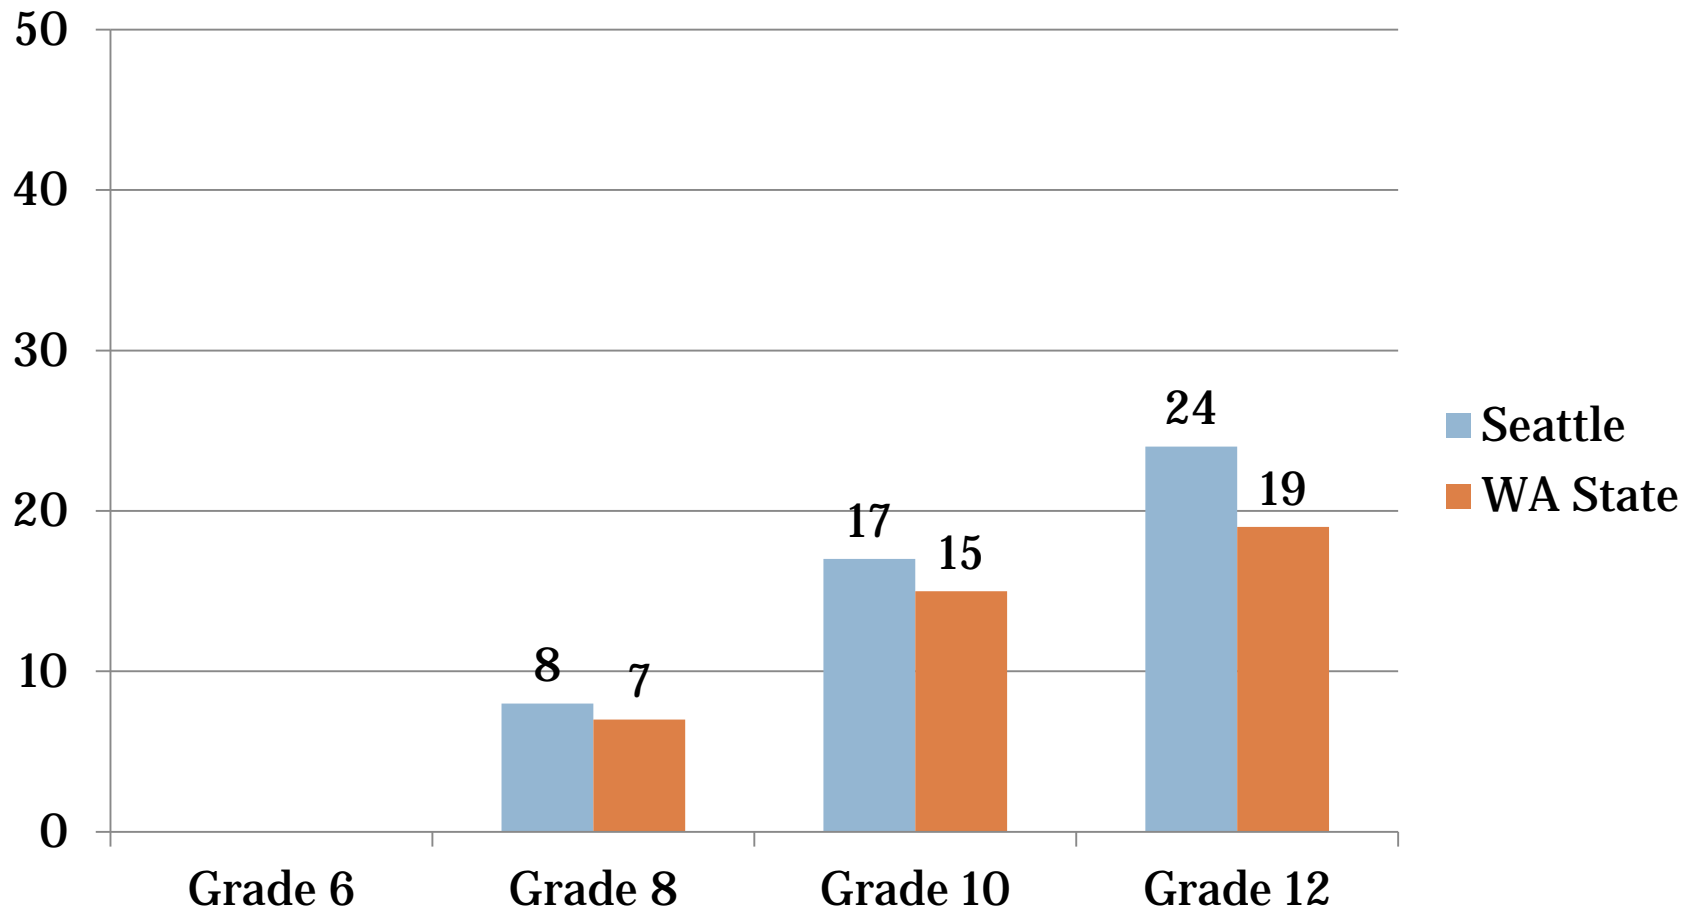

# 30 Day Alcohol Use

# 30 Day Marijuana Use

# Substance Use at School

# Gaps in HYS Marijuana Data

- Access – where are they getting it?
  - ▣ Seattle’s 2012 YRBS: 38.5% of current marijuana users reported using marijuana that came from a dispensary within the past 30 days
- Types of marijuana
  - ▣ Edibles, concentrates, plant
- Use on campus
  - ▣ Current question asks “drunk or high”

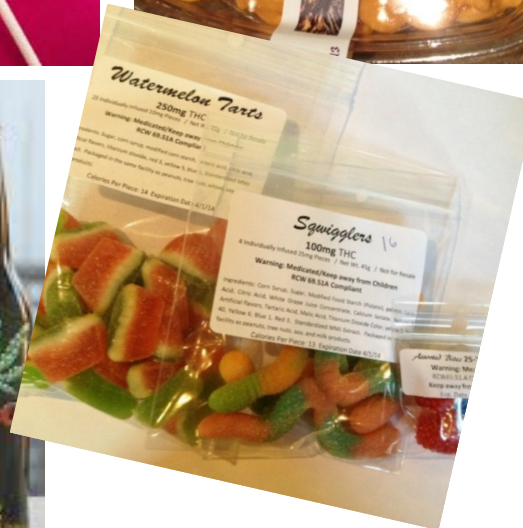

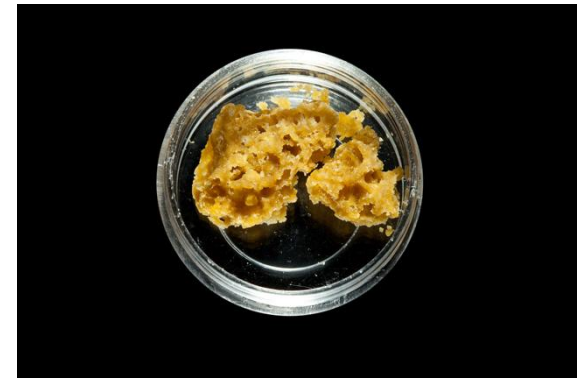

# Current Concerns

- Increase in student drug/alcohol violations
  - 758 offenses so far this school year
    - 107 Alcohol offenses
    - 651 Drug offenses – over 98% marijuana
    - 3 Elementary, 204 Middle, 551 High
- Edibles
  - Bought not baked – lollipops, candy bars, etc.
  - Students overdosing on campus
- Vaporizers
  - First year ever confiscating these devices – 26 so far

## PUFFIT PORTABLE INHALER VAPORIZER REVIEW

By: Marijuana Product Review | Posted : 11/11/2013

The PUFFIT Portable Inhaler Vaporizer is a portable, handheld device that allows you to inhale vapor from your herbs. It is designed to be used anywhere, anytime, and it is easy to use. The PUFFIT also vaporizes your herbs making it smell and taste as compared to traditional smoking.

Get your PUFFIT today and enjoy smoking wherever you please!

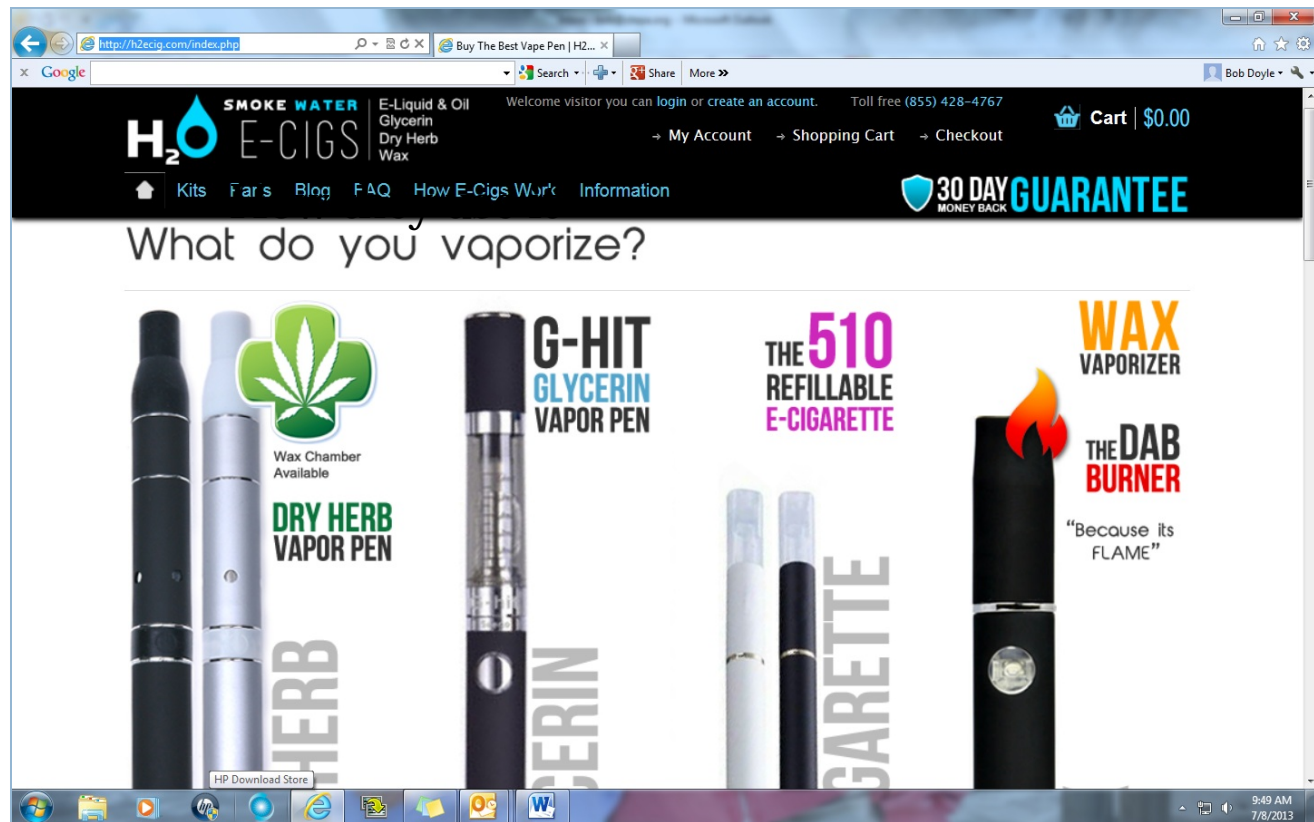

# How they use it

“A stealthy, convenient way to get high . . .”

## Students Find Way To Secretly Smoke Marijuana In Class

“Vapor pen are just like e-cigarettes. The can be purchased at grocery stores for \$25.00 and up. When used for marijuana there’s no “skunk” smell, which makes it easy for students to bring them to school.”

# How do they get it?

- **Students have medical authorizations**
  - ▣ **Under 18, without parental knowledge/consent**
- **Order online, by phone**
  - ▣ **No proof of authorization or age required**
- **Delivery service**
  - ▣ **21 and over, medicinal and recreational**

### Who we are...

We are a Seattle based business with a conscience serving the greater Seattle, WA area from the **North Beacon Hill/Mt Baker/W. Seattle Neighborhoods** to **North 185th St. in Shoreline**.

### What we do...

We strive to Provide Quality, Comfort and Convenience to any person seeking a **safe and legitimate source** for RECREATIONAL and/or MEDICINAL Cannabis. No card required.

### What we don't do...

No persons under the age of 21 will be served without exception. We do check I.D.

We do not ship. Not within Washington State, not out of Washington state. Not even to Colorado.

We do not deliver to locations outside of our service area, however, we do offer convenient meet ups for those who can travel to our area.

Social media links.

Socially conscience – donate some profits to charity.

Recreational

Edibles, concentrates, vaporizers, pipes

# What are we doing about it?

- Professional Development
  - ▣ Principal training in April
  - ▣ Central training with counselors, security, nurses
  - ▣ Building trainings
- Parent Meetings
  - ▣ Middle and High Schools
- Student Education
  - ▣ Evidence Based Programs
  - ▣ Balance between education and harm reduction

# Thank you!
