

Guiding Good Choices Facilitator Training

Training Dates:

August 5th, 6th and 7th are confirmed

Training Times:

8:30 to 4 pm. (this needs further confirmation)

Location:

Hopefully ESD 112 in Vancouver, or another location in Clark County

West Van for Youth and Unite! Washougal Community Coalition are pleased to announce that they will partner with DBHR to bring a Guiding Good Choices Workshop Leader Training to Clark County. Other CWPI communities are welcome to attend or send workshop leaders to this training. There are limited spaces available.

Cost:

The training is provided free to CWPI coalitions with support from DBHR as part of the Targeted Enhancement Project of the Partnerships for Success grant.

Lodging, meals and transportation:

Please note these costs are NOT covered by the grant; individual coalitions are responsible for this portion. Hotel list to follow.

Materials:

This grant also allows for limited purchase of the Guiding Good Choices Guide necessary to attend this training. (However this does not include the individual books that the program participants would need upon implementation.)

Please let us know if you would need the facilitator guide so we can reserve a copy for you. There is a limited supply of these guides.

Please indicate your interest to attend by July 9th, by sending your name, contact information, and CWPI coalition name to us at our contact information below. DBHR requires confirmed registration completed by July 14th.

To confirm your place at this training and register, please email us as soon as possible. Feel free to contact us with any questions.
