Preventing use of vapor & tobacco products by minors: E2SSB 5365

▶ **Problem:** Since TV21 went into effect, a disparity in the tobacco possession law exists:

- ▶ 18–21: no penalties
- ▶ Below 18: civil infraction

▶ Current enforcement disproportionately affects BIPOC youth

▶ E2SSB 5365 eliminates financial penalties for youth

- ▶ Increases penalties for retailer violations
- ▶ Civil infraction → 4hrs community service, referral to smoking cessation

Implementing the 988 system: E2SHB 1134

- ▶ **Problem:** 988- National Suicide/Crisis help line is live (7/22) and implementation is ongoing but requires further support.
- ▶ E2SHB 1134 establishes/directs
 - ▶ Liability protection for 988 personnel
 - ▶ A grant program and endorsement for mobile rapid response crisis teams
 - ▶ DOH to promote the 988 crisis hotline, gather trends data
 - ▶ HCA and other groups to convene and collaborate to standardize practices

Addressing Blake: E2SSB 5536

- ▶ **Problem:** Previous drug laws were deemed unconstitutional, necessitating a rewrite of drug possession and penalty statutes. (**Previously:** Unknowing possession=felony; **currently:** knowing possession=misdemeanor)
 - ▶ Primary dispute: Should drug possession addressed as a criminal or public health issue?
- ▶ E2SSB 5536:
 - ▶ Knowing possession is a misdemeanor/ gross misdemeanor, state preempts entire field of drug paraphernalia
 - ▶ Expands LEAD and pre-trial diversion program (requires prosecutor's consent)
 - ▶ Prosecutor must vacate convictions if defendant completes SUD treatment
 - ▶ Expands low barrier treatment and support services

Biennium Overview

- ▶ 'Finished' with Halfway through the biennium!
 - ▶ 7 months until the 2024 session
- ▶ Short session: 60 days instead of 105
 - ▶ Supplemental budget
 - ▶ Bills don't die- returned to chamber of origin
- ▶ Rulemaking: between sessions and ongoing
 - ▶ Agencies have authority to make rules- force of law
 - ▶ Technical aspects important to implementation
