Alcohol Action Network: Legislation on shipping alcohol

Discussion

New bill in Congress: The United States Postal Service Shipping Equity Act

- ▶ Alcohol Action Network: <https://www.alcoholactionnetwork.com/take-action>
- ▶ US Postal Services currently prohibited from shipping alcohol under [U.S. Legal Code 18 § 1716](#)
- ▶ New bill in Congress [H.R. 3287/S. 1663](#)
- ▶ Expanding home delivery of alcohol disrupts the three-tier system (retailer, distributor/wholesaler, supplier/producer) which the U.S. relies upon to deliver alcohol safely, collect taxes, and enforce laws related to alcohol safety, **including preventing minors** from accessing alcohol.
- ▶ Home delivery by the USPS may contribute to increases in underage drinking. A 2012 study found that when alcohol was purchased online by minors the required age verification at delivery **was inconsistently conducted by carriers and, when attempted, failed nearly half of the time.**¹
