

Community Prevention & Wellness Initiative Expansion (CPWI Expansion) Cohort 6 – Training Plan

In an effort to provide new CPWI Coordinators with appropriate and timely training, the following training and resources are provided for the new Cohort 6 – CPWI Expansion Community Coalition Coordinators.

The webinars, learning community meetings, and in-person trainings listed below are required for Cohort 6 CPWI Coordinators.

Additional online trainings are available for further education on elements of prevention theory/science, coalition work, and CPWI deliverables and details. See “*DBHR Prevention Self-Guided Trainings, Presentations, and Resources*” for more information.
