

State Prevention Enhancement (SPE) Policy Consortium March 17th, 2025

General Membership Check In
“What’s working and what do you need?”

Purpose – *Why are we doing this?*

- ▶ Numerous state and federal changes right now.
- ▶ Minimal chances for cross-agency support or conversations.
- ▶ Overall feeling of isolation and confusion – lack of affirmation.
- ▶ Need for common ground.

Resources

What is working well for you?

What is something you'd like to share with others?

Common Challenges

How has your experience been affirmed in working with others?

What themes should we be tracking for future action?

Solutions Needed

How can we provide immediate supports?

If time and money were no object...

What would you develop tomorrow to support our work?

Breakthroughs

What success have you experienced lately, big or small?

What do you hope for in the next week, month, year?

Thank you!
