## ***SNAPSHOT OF THE YCCTPP COMMUNITY GRANTS MENTORING PARTNERSHIP PROJECT***

---

The purpose of YCCTPP is to address youth cannabis and commercial tobacco prevention through policy, systems, and environmental change (PSE) efforts.

The community Based Prevent Capacity Building Grants program is intended to support new and emerging partners in addressing prevention and community wellness.

# Policy, Systems, and Environmental Change (PSE) Strategies of YCCTPP Community Grants Mentoring Partnership

---

- Limit youth access to cannabis or commercial tobacco products
- Address social and community norms around youth cannabis and commercial tobacco use
- Community-led initiatives that address inequities that might lead to youth cannabis and commercial tobacco use
- Development of community skills in advocacy for policy change, including those addressing social determinants of health
- Opportunities and spaces for people to positively socialize, challenge social norms that promote misuse, share cultural traditions, and build community
- Address consequences associated with youth use & focus on addressing equitable & holistic approaches

## AUGUST 2025-JUNE 2026 COMMUNITY GRANTS MENTORING PARTNERSHIP

---

- Lopez Island Family Resource Center mentor to Mi Chiantla
- Unite! Washougal mentor to Jefferson Teen Center
- Prevent Together Battle Ground Prevention Alliance mentor to TBD
- Prosser Thrive Coalition Youth Café

## YCCTPP Community Mentoring Partnership Objectives

---

- Develop a foundation for a PSE focused youth substance use prevention coalition/community collaboration in the Mentee's community.
- Build or strengthen the Mentee's organizational structure for PSE.
- Increase committed key partners representation involvement in the PSE focused youth substance use prevention coalition/community collaboration in the Mentee's community.
- Grow the Mentee's community readiness and community leadership to address youth substance use issues in the Mentee community.
- Assist the Mentee coalition/community in working through a strategic planning process that will result in a comprehensive Action Plan/PSE capacity building.
