Getting started in Minerva 2.0

To get started in Minerva 2.0:

- Identify who needs access. At least one **staff member** and **back-up staff member** are required to have access to an account.
- Make sure each person with access has their own **SecureAccess Washington (SAW)** account using a non-personal email address. Create a SAW account at <https://secureaccess.wa.gov/>.
- Have each person sign a **User Agreement on Non-Disclosure of Confidential Information** form. The form is required to be signed annually. The signed forms are required to be kept on file.
- Watch the **Minerva 2.0 Explained: System Access** video or review the **Minerva 2.0 Explained: System Access PDF**.
- Submit a **Minerva 2.0 Data System Access Request** through the [Washington State Health Care Authority support portal](#) for each person requiring access to Minerva 2.0. Follow the steps outlined in **Minerva 2.0 Explained: System Access** resources.
- Register for the next available [Minerva 2.0 New User Training series](#).
- Before attending the new user training series watch the **Welcome to Minerva 2.0** video  in Minerva 2.0 under Help on the Training page.
- Before attending the new user training series complete the **New User** quiz  in Minerva 2.0 under Help on the Training page.
- Attend **at least 80%** of the new user training series.

Requests must be submitted at least five (5) business days before the due date. The maximum extension permitted is ten (10) business days.

Recommendations to help stay on track

- Set calendar reminders for the Minerva 2.0 reporting deadlines.
- Schedule dedicated time in your calendar for reporting.

Annual start-of-year reporting in Minerva 2.0

Before August 15th:

- Create and/or review **logic models** that match the planned outcomes outlined in your Strategic Plan and with the support of your HCA Prevention Manager.
- Create and/or review **programs & strategies** for the planned services outlined in your Strategic Plan and with the support of your HCA Prevention Manager.
- Draft a **cohort** for each group of people planned to receive group services based on your Strategic Plan and with the support of your HCA Prevention Manager.
- Draft or update a **campaign** for each set of activities planned based on your Strategic Plan and with the support of your HCA Prevention Manager.
- Create and/or review **staff members** for each person who will be reporting staff time.

- Create and/or review **organization partners** (e.g., school district(s), community partners) and **individual partners** (e.g., non-staff program facilitators, Student Assistance Professional)
- Create and/or review **members** of the community coalition, including sector and primary sector representative fields.

Monthly reporting in Minerva 2.0

Before the 15th of every month:

- Review the **Announcements** section of the Dashboard or homepage.
- For any **cohorts** and **campaigns** that started during the month being reported, update and submit them for review.
- Report a **participant** for each new individual enrolled to receive services.
- Add a **test** to any applicable cohorts that started during the month being reported.
- Collect and report a **pre-test submission** for each participant that enrolled in a service that started during the month being reported.
- Collect and report a **post-test submission** for each participant that enrolled in a service that started during the month being reported.
- Report a **member** for each new coalition member.
- Report an **individual partner** for each new volunteer resource (e.g., teacher implementing PAX Good Behavior Game, volunteer childcare provider, other non-staff program facilitator).
- Report an **organization partner** for each new collaborator (e.g., entity providing no-cost meeting space, organization providing in-kind support, new host site for prevention programming).
- Report an **implementation activity** in Implementation Activities sub-channel each time participants or members met for a cohort-based service.
- Report an **implementation activity** in Implementation Activities sub-channel for every activity that was delivered as part of campaign or set of activities.
- When applicable, report an **individual (standalone) activity** in the Implementation Activities sub-channel for the annual Key Leader Event.
- Report a **training capacity activity** or **capacity activity series** for each training attended by the coalition coordinator and/or related staff.
- Report a **technical assistance capacity activity** or **capacity activity series** for technical assistance received by the coalition coordinator and/or related staff.
- Report a **development capacity activity series** to record behind-the-scenes activities that build capacity or readiness to support substance use disorder prevention and mental health promotion services.
- When applicable, report an **other staff hours capacity activity** for extended leave.
- For any **cohorts** that concluded during the month being reported, manually close the cohort and review the **Cohort Completers** results.

- For any **cohorts** that concluded during the month being reported, that collected pre and post test submissions, run a **Cohort Outcomes Report**.
- When applicable, collect and report **one-time test submissions** for coalition members.

Quarterly reporting in Minerva 2.0

- Review and/or deactivate **members** with changed or discontinued engagement in the coalition.
- Draft and submit a **CPWI Quarterly Report**. Questions 14 and 19 are required to be answered annually, at least once per reporting year.

Recommendation

- Before drafting a CPWI Quarterly Report review the **Minerva 2.0 User Guide Build Capacity – CPWI Quarterly Reports** document in Minerva 2.0 under Resources on the State Resources page, or watch the video, **Minerva 2.0 Explained: CPWI Quarterly Reports** under Help on the Training page.

Annual end-of-year reporting in Minerva 2.0

Before July 15th:

- Close** every cohort and campaign with activities.
- Delete** any cohort or campaign without activities.
- Review and/or deactivate **members** with changed or discontinued engagement in the coalition.
- Review and/or deactivate **partners** with changed engagement with the coalition.
- Update the status of **participants** using bulk actions.
- Review and/or change designation of Staff Eligible for **staff members** no longer recording staff time in capacity and implementation activities.

Recommendation

- After completing reporting for a state fiscal year, use the reports in the **Evaluate channel** to evaluate outcomes, review cumulative outputs, and prepare reports for external partners and internal planning.
