

Student Assistance Prevention/Intervention Services programming is up and running in all of the Prevention Redesign Initiative (PRI) Cohort 1 communities. Efforts to date have focused on: orientation and placement of staff, creation of a student referral process, implementation of the Prevention Education Series, and relationship-building with students, parents, staff, and community members. Below is a current list of Student Assistance Professionals assigned to the PRI Cohort 1 communities across the state by Educational Service District (ESD), School District and School.
