PRI Clarity and Training Survey Summary

I.   **Here is what we can tell from the survey comments:**

- Need timeline to address questions and lack of clarity

- Need more definition on many items to address questions and lack of clarity

NOTE: We are developing these elements and will be delivering them by the end of February.

II.   **Here is what else we can tell from the survey data**

Getting Started – **15 responses to clarity questions, 9 responses to training questions**

Clarity - Majority of task categories were very clear. No "Not Clear" responses. This means, reasonably, there is a fairly high level of clarity about these task categories.

Training needs, according to survey:

- Coordinators for The Athena Forum participation (8/9)

- ESD, county and coordinator for notification of media (6/9

- ESD and county clarification of roles (6/9)

Capacity – **14 responses to clarity questions, 10 responses to training questions**

Clarity - Lack of clarity on Key Leader Orientation, Coalition Charter and Recruit and Retain Membership.

Training needs, according to survey:

- ESD, county and coordinators for Participate in Training and Technical Assistance (9/10)

- ESD, county and coordinators for Key Leader Orientation (8/10)

- Coordinators for Recruit and Retain Membership (6/10)
