

A photograph of two men standing in a forest. The man on the left is wearing a brown flat cap, a beard, and a plaid shirt over a white t-shirt. The man on the right is wearing a blue and white plaid shirt and has a beard. They are both smiling and looking towards the right. A large white 'no' symbol is overlaid on the left side of the image.

Opioids are now one of the leading causes of injury-related deaths in Washington State. More people die from overdose than from car crashes.<sup>1</sup>

Opioids negatively affect the reward center in the brain. Over time, a user needs more and more. This makes them highly addictive.<sup>2</sup>

You can make a difference.
