No	Agenda Items	Time	Lead	Summary Meeting Notes
1.	<b>Welcome, Introductions and Team Building</b>	<b>9:00</b>	<b>Sara Cooley Broschart</b> WHY Co-Chair	Sara welcomed attendees to the meeting and reviewed the agenda. Attendees introduced themselves and responded to the opening question.
2.	<b>Washington Poison Center Agency Update</b>	<b>9:20</b>	<b>Alex Sirotzki and Curtis Elko</b>	Alex and Curtis introduced the Poison Center. The slide deck, which will be emailed out with the meeting notes, include information regarding: who calls, trends, data (current nicotine snapshot link: <a href="https://www.wapc.org/wp-">https://www.wapc.org/wp-</a>

				<a href="#">content/uploads/COVID-Snapshot-5_Nicotine.pdf</a> , current cannabis snapshot link: <a href="https://www.wapc.org/wp-content/uploads/COVID-Snapshot-6_Cannabis.pdf">https://www.wapc.org/wp-content/uploads/COVID-Snapshot-6_Cannabis.pdf</a> ), and more.
3.	<b>Break</b>	<b>10:20-10:25</b>		
4.	<b>Hot Topics</b> <ul style="list-style-type: none"> <li>• Leg updates</li> <li>• Delta-8 THC Ad Hoc Group</li> <li>• Delta-8 Presentation at YMPEP Practice Collaborative – April 12</li> <li>• WHY Action Plan</li> </ul>	<b>10:27</b>	<b>Discussion</b>	<p>Scott Waller introduced the purpose of the <b>Delta-8 THC Ad Hoc Work Group</b>. A good conversation occurred; a sub-sub-group to craft a one-pager will meet on March 26. The State Tox Lab has the capability to determine different THC isomers; however, the Lab does not have the capacity. Recently, the poison centers added a Delta-8 code for calls. This issue is complex; a lot of different organizations will need to work together to bring things together. Washington State has a “drug recognition expert” training. An expert is called out to the field and can test/determine impairment. This may be problematic when looking at the justice system; but the goal is to educate and avoid alarm.</p> <p>Kasey asked Megan if the Collaborative meeting might be opened up to CPWI. Megan will check with leadership with the <b>YMPEP Practice Collaborative</b>. More to come.</p> <p>Sara introduced the 2018 Underage Drinking and Youth Marijuana <b>Action Plan</b>. The document was sent out with the meeting reminder and documents. Sara suggested attendees review section by section:  Workgroup Team: the general consensus was that SPE crafted this section. Sara suggested that WHY members capture the heart of what we do in a different way and that she, Kasey and Martha get together to refocus the 2018 Underage Drinking and Youth Marijuana Action Plan into what we currently do, bringing it back to the larger group for finalizing. One thing for Sara, Kasey, and Martha to take into consideration is that public outreach, as well as current capacity will look a lot different due to the events of the past year.</p> <p><b>Membership Recruitment</b> –Members should concentrate on recruitment in summer/fall when things open up.</p> <p><b>Legislative Update:</b> we are beyond the halfway point of the Leg Session. Sara will provide the bill tracking document to Liz. The current bills still in motion were reviewed. Sara provided the following link: <a href="https://www.seattletimes.com/seattle-news/crime/washington-high-court-strikes-down-law-that-makes-unintentional-possession-of-drugs-a-crime/">https://www.seattletimes.com/seattle-news/crime/washington-high-court-strikes-down-law-that-makes-unintentional-possession-of-drugs-a-crime/</a>. Julie suggested that legislators are working on a statewide response.</p> <p><b>Work Session: Examining the effectiveness of programs to prevent youth access to and use of alcohol, cannabis, tobacco, and vapor products</b> – there were several agencies were available to present and answer questions on cannabis vs. density and more. The link to this conversation was provided by Sara: <a href="https://www.tvw.org/watch/?clientID=9375922947&amp;eventID=2021031341">https://www.tvw.org/watch/?clientID=9375922947&amp;eventID=2021031341</a>. A discussion followed re: how the work session typically works and how it has changed and challenged this year. Sara asked: Maybe we can think about what sort of education we, through WHY, can provide in the interim?</p>
5.	<b>Action:</b> <ul style="list-style-type: none"> <li>• WASAVP</li> <li>• Prevention Voices</li> </ul>	<b>11:25</b>	<b>Stacey Megan/ Alyssa</b>	<p><b>Prevention Voices</b> – the network, when responding to legislator’s questions has been invaluable. The group has been connecting with local prevention professionals to contact and educate legislators. Email Megan if you would like to be on the</p>

				Prevention Voices weekly leg. update. Prevention voices will be working on an interim plan, as well.  <b>WASAVP</b> – A lot of what WASAVP has been doing has been discussed today. Stacey also mentioned several other bills that the group has been working on. Concerning the Blake bill, could SB5353 could be adjusted to cover the Blake bill gap? Possibly not.  The action alert can be sent to attendees as well.
6.	• <b>Round Table Member updates</b>		<b>As time permits</b>	Attendees were encouraged to email Martha with their updates on their prevention work for dissemination to all.
7.	<b>M-Vape</b>	<b>11:40</b>	<b>Jesse Havens</b>	Sara introduced Jesse to attendees. Jesse reviewed the MVAPE history and what is in the plans for the future. The environmental scan did not ask volunteers to go into shops, but wanted to volunteers to observe various aspects of LCB allowances due to the pandemic. The data can be used to inform communities and legislators on how the allowances have affected communities. The original surveys were conducted summer and fall. To improve the survey, volunteers suggested electronic surveys, less open ended question, include additional questions regarding alcohol allowances. MVAPE is partnering with King County for MVAPE administration, moving forward. Jesse's PowerPoint slides are included in the PowerPoint presentation provided with these meeting notes. The project's email address is included with the PowerPoint. The project also includes a tool kit; the tool kit can be found here - <a href="https://drive.google.com/drive/folders/1-UsuceWkaq1GXJ796XkWchfkbQ00v8d7?usp=sharing">https://drive.google.com/drive/folders/1-UsuceWkaq1GXJ796XkWchfkbQ00v8d7?usp=sharing</a> . Jesse will be leaving the project in April. Sara will reach out to Julie and YMPEP for someone to take on the MVAPE project.
8.	<b>Meeting wrap up</b>	<b>11:55</b>	<b>Martha</b>	Action Items will be sent out via email.
9.	<b>Adjourn</b>	<b>12:00</b>	<b>Sara Cooley Broschart</b> WHY Co-Chair	The meeting was adjourned at 12:05 p.m.

Action Items/Decisions					
#	Action Item	Assigned To:	Date Assigned:	Date Due:	Status
1.	Megan will check with leadership with YMPEP to see if the Practice Collaborative meeting might be opened up to CPWI to attend the Delta-8 presentation.	Megan/Kasey	3/19/26		
2.	Sara suggested that she, Kasey and Martha get together to refocus the 2018 Underage Drinking and Youth Marijuana Action Plan into what we currently do. Things to take into consideration is that public outreach will look a lot different, as well as current capacity	Sara/Kasey/Martha	3/19/26		This meeting will be rolled into an existing meeting with Sara, Kasey and Martha
3.	Sara will provide the bill tracking document to Christine.	Sara/Christine	3/19/26	3/19/2021	Completed
4.	Email Megan if you would like to be on the Prevention Voices weekly leg. update.	Attendees/Megan	3/19/26		
5.	Sara will reach out to Julie and YMPEP for someone to take on the MVAPE project.	Sara/Julie	3/19/26
