## You can't stop what you don't know.

Join Tall Cop Jermaine Galloway for a virtual training where you will learn indicators of potential teen drug use, mental health concerns, unhealthy relationships, human trafficking and other risk factors that may be hidden in plain sight, but easy for parents and other adults to miss.

### ADULT WORKSHOP PROGRAM DETAILS

Our mock teen bedroom contains 70+ items, which can indicate problem or risky behaviors.

After a virtual walk through of the teen room, attendees will participate in a presentation and discussion.

Wahkiakum residents please come 30 minutes before for information about how you can help support the Wahkiakum Community Network Coalition and their efforts in helping keep our youth and families safe.
